Code of Conduct for Volunteer Coaches

Monroe Parks and Recreation Youth Basketball League &
Monroe Parks and Recreation Youth Travel Basketball Program

Please follow the below guidelines and expectations as a volunteer coach.

I will coach with the expectation of creating a positive learning experience for all players and their families on my team.

I will lead by example in demonstrating fair play and sportsmanship for all players on my team and the opponents we face.

I will respect all of my fellow coaches & officials of the games and follow all league guidelines for playing time, league rules and scoring.

I will put my emotions aside and keep the physical well being of my players ahead of a desire to win and maintain control of myself while coaching. Never to show gestures or use inappropriate language that can be deemed as hostile or humiliating to my team, our league or this department.

I will refrain from questioning an official's decisions in a disrespectful manner during a game and if there is a safety concern, I will go to the site coordinator and league director for assistance.

I will ensure that all of my players, their families and fans conduct themselves appropriately while in attendance of games and practices.

I understand that there is to be no music allowed in the form of boom boxes, sound systems, radio units, etc to be used during practices and games and that all basketball events must be free from drugs, alcohol, vapes and tobacco.

I will have as much fun as the kids when leading my team in basketball!
