

The **Concession Pavilion** area has a covered and an open area at the lake. There are plenty of picnic tables to move around how you wish. There are no grills, but electrical outlets are on the poles and on one wall of the of the building. You are welcomed to bring your own gas grill to use on the patio. Indoor public bathrooms are conveniently located on site from mid-April through the first weekend of October. All other times there are portable toilets. There is no use of the inner building and if you wish to use a food truck they must park in the parking spaces close to the outer garage doors. They can't block the walkway around the pavilion area or the garage doors. Bounce houses are allowed but must not interfere with any walkways that the public has access to and must be secured in a space that doesn't disturb underground piping and wires. Please me mindful that your picnic rental only gives you exclusive use of the pavilion and not the beach, playground and walkways. These areas are still open to the general public.
