Deep End Swimming Permission

Parents,

We value the safety of all our campers during our camp. There are pool days that span the duration of the Summer Fun Days program. Our pool does have different depths and it is up to your discretion to let them swim in those deeper areas. This paper notifies the camp staff of your decision. ***It is valid for all sessions that your child is signed up for.**

(check one)

- () I give my child permission to swim in the deep end.
- () I do not give my child permission to swim in the deep end.
