Deep End Swimming Permission

Parents,

We value the safety of all our campers during our camp. There are pool days that span the duration of the Summer Fun Days program. Our pool does have different depths and it is up to your discretion to let them swim in those deeper areas. This paper notifies the camp staff of your decision. ***It is valid for all sessions that your child is signed up for. ^BUT UNDERSTAND THAT IF STAFF SEES YOUR CHILD STRUGGLING WE WILL USE CAUTION AND KEEP THEM IN AN AREA THAT IS SAFE AND RESERVE THE RIGHT TO KEEP IN THE SHALLOW END.** If you choose to send a floatation device, please make sure its labeled with child's name and must have the COAST GUARD approved stamp on it.
