

## Oak Grove Picnic Area

Proceed past the lake bathhouse building to beyond the gravel overflow parking lot

The picnic area is at the end of the parking lot

Nestled amongst a grove of oak trees this is our most private group picnic area

Plenty of tables, grills and cool shade

Enjoy a game of horseshoes away from the picnic tables

Large enough for your church group or company

Small enough for your team or scout troop

A close walk up to a ball diamond or soccer field

Walk back to or around the lake, the beach, the bathrooms or to the concession stand for an ice cream
