Pickleball/ Tennis Reservations at Wolfe Park 2023 Info Sheet

From the time period of Memorial Day Saturday through Labor Day Monday, the Monroe Parks and Recreation Department will be taking reservations for permit use of the Wolfe Pickleball/Tennis Courts. This is not mandatory, but if you are interested in a specific time, you may secure a paid reservation time slot.

Monroe Parks and Recreation Department sponsored programs (lessons/camps) and the Masuk High School Tennis Teams have priority use and will already be blocked out on our master spreadsheet at the office.

Courts will still be available on a first come, first serve basis providing that there is no permit taken out or programs going on.

Permits may be obtained by submitting a tennis/pickleball court reservation application. These forms can be found on the department website www.MonroeRec.org, click on facilities and scroll to the tennis/pickleball court location.

Complete the court reservation application and email to parksandrec@monroect.gov along with a legible copy of your driver's license. This request is not your permit. Once the transaction is processed, your permit will be emailed to you. Permits are only issued Monday-Thursday 9am-4pm and Friday 9am-1pm. We cannot issue permits on weekends or holiday office closures. One reservation per person per week will be issued, you may reserve up to one week in advance (a week is counted as Sunday thru Saturday).

There are no refunds for reservation permits if you do not show up. In the event of inclement weather and the courts are not playable, you will have to call the Monroe Parks and Recreation office on the next business day to reschedule.

Fee:

\$1.00 per person resident

\$4.00 per person non-resident

All people playing on the same court at the same time will need to be put on the permit at the time of reservation with one person as the main contact person.

Time slots are for 1.25 hour
