## **Monroe Parks and Recreation Department Winter Use-Wolfe Park Tennis/Pickleball Courts**

**The use of the tennis and pickleball courts during the winter season will be available on a limited basis, weather permitting and at your own risk. The department nets will be removed from the courts by the first Monday in December or prior to the first measurable snowfall (1 inch or more) until mid-March. The courts will not be available when snow or ice is present or when locked by the Parks and Recreation Department staff. In order to avoid damage to the courts, snow and ice will be allowed to dissipate naturally and no efforts shall be made to clear the courts by any other means by the Parks and Recreation staff or by any individuals. The use of temporary nets by players will be limited to nets that will not damage the courts and must be removed when play is done daily.**

**One side of the gates (two tennis courts and two pickleball courts) will be unlocked for use by players from the hours of 8:00 am-3:00 pm when Parks staff can unlock/lock up around their normally scheduled winter shifts.**

**If inclement weather is in the forecast, gates will remain closed until next appropriate weather day determined by the Parks and Recreation Department. (i.e., no snow or ice on any of the courts) Updates on court closure during the times listed above will be put on our phone cancellation line by calling 203-339-6106 and/or visiting our website, [www.MonroeRec.org](http://www.MonroeRec.org).**

**Draft 2/1/21**

**Presented to Parks & Recreation Commission by MO on 2/11/21**

**Approved by a 9-0 vote at the Special Parks and Recreation Meeting 2/11/21**
