

The **Pond View** picnic area is just off the main parking lot. You can play a game of sand volleyball, bocce and gaga with game equipment. Twenty plus tables are nestled under the trees for plenty of shade, but are portable so you can arrange however you would like and there are grills to use. There is no use of the building adjacent and full-service bathrooms are available across the main parking lot by the flag pole/pool entrance area. There is electricity available and a food truck can pull up nicely to the side of the building. Your guests would park in the overflow gravel parking lot from Memorial Day weekend through Labor Day Monday if they do not have the Monroe Resident car sticker. Bounce houses are allowed but must not interfere with any walkways that the public has access to and must be secured in a space that doesn't disturb underground piping and wires.
