

The **Rotary Pavilion** is a covered 32' x 44' pavilion located across the walkway from the basketball courts and conveniently located near both playground areas. All of the picnic tables fit nicely under the pavilion but are also portable for your convenience. Full service bathrooms are available by the flag pole/pool entrance area. There is electricity available, a large grill and a food truck can pull up nicely to the side of the pavilion and must park on the cement. (Not blacktop walkway) Your guests would park in the overflow gravel parking lot from Memorial Day weekend through Labor Day Monday if they do not have the Monroe Resident car sticker. Bounce houses are allowed but must not interfere with any walkways that the public has access to and must be secured in a space that doesn't disturb underground piping and wires.
