2023 Sponsorship Opportunities

The Town of Monroe produces several community events throughout the summer season that include our Summer Concert Series, Character Dinner Nights, and Family Movie Nights. These activities are free to the residents of Monroe. They do however require considerable funding and behind the scenes planning. In order to continue these events for our community, the Town of Monroe is actively seeking sponsorships and donations from the local businesses and individuals to continue the high quality of these special events.

Sponsoring an event provides you with a unique opportunity to connect with the Monroe Community, build brand awareness and show your support of our unique programming. We invite you to support any or all our summer recreational programs mentioned above. We offer several different sponsorship levels designed to allow businesses of all sizes to participate.
